(\*) Common European Framework of Reference for Languages

**Social skills and competences**

- team work: I have worked in various types of teams related to European projects
- multi-cultural and international environment: I have worked for 3 years in a FP6 transport research project with 17 partners from 14 different Countries; moreover I worked as expert evaluator in transport projects in Brussels
- good communication skills gained through my experience as teacher in a University Master "International Business and Economic Cooperation"

**Organisational skills and competences**

- leadership: I managed a team of 10 transport engineers and up to December 2007 I was the leader of a Workpackage in a FP6 transport project involving 5 European partners
- good experience in project or team management through my work in an engineering company and in an engineering consortium
- good experience in EU project preparation, evaluation and management

**Technical skills and competences**

- good command of quality control processes

**Computer skills and competences**

- good command of Microsoft Office tools (Word, Excel and PowerPoint), as well as the Open Office suite and project management tools (like Microsoft Project) with the "critical path" method.
- basic knowledge of graphic design applications (Corel draw) and html language

**Additional information**

- Secretary of the Italian Association of Road Safety Professionals (AIPSS) [www.aipss.it](http://www.aipss.it)
- Registered as Professional Engineer in Viterbo (n.364 date.16.01.1988); Such registration is equivalent to a FEANI registration through the participation of the Italian National Council of Engineers (see at [www.feani.org](http://www.feani.org))
- Registered in the Directory of "Technicians with specific skills in environmental acoustic" of Lazio regional government (Italy)
- Promoter of the Italian Technology platform for the Reverse Logistic and coordinator of the first draft of the Strategic Research Agenda (see at [www.reloadertalia.it](http://www.reloadertalia.it))
- Co-author of the "Safety handbook for Secondary roads, downloadable from the European Commission's site:  
[http://ec.europa.eu/transport/roadsafety\\_library/publications/ripcord\\_d13\\_secondary\\_roads\\_safety%20handbook.pdf](http://ec.europa.eu/transport/roadsafety_library/publications/ripcord_d13_secondary_roads_safety%20handbook.pdf).
