

## **LAURETI Tiziana**

Born in Viterbo (Italy) , October 8, 1971, Married, one child (2011)

### **EDUCATION**

1998-2002 Ph.D. in Applied Statistics, University of Florence.

1999 Summer School of Econometrics, University Residential Centre of Bertinoro

1997-1998 Post Degree Grant in Balance Sheet Statistical Analysis, Faculty of Economics, University of Tuscia

1996 Degree in Economics summa cum laude, University of Tuscia

LANGUAGE SKILLS: Italian, mother tongue; English, very fluent; German basic.

### **PRESENT POSITIONS**

2019 to date Director of the Department of Economics, Engineering, Society and Business Organizations University of Tuscia

2012 to date Full professor of Economic Statistics, Department of Economics, Engineering, Society and Enterprise, University of Tuscia

2017-to date Vice-Coordinator of the PhD in Economics, Management and Quantitative Methods, University of Tuscia- Viterbo

### **PREVIOUS POSITIONS**

2008-2011 Associate Professor of Economic Statistics, Department of Mathematics and Statistics for Economic Research, University of Naples.

1999-2008 Lecturer in Statistics, Department of Economics, University of Tuscia.

2005-2008 Rector's delegate for monitoring and evaluating educational processes, University of Tuscia-Viterbo

February-March 2004 -June 2006 Visiting Professor at the Department of Economics - University of Warwick, UK

September-October 2002; February -May-June 2003 Visiting Research Fellow at the Department of Operational Research & System - University of Warwick, UK

### **TEACHING**

Statistics, Economic Statistics, Econometrics, Statistics for marketing research, Statistics for Business and Decision Making.

#### ***International teaching***

Advanced statistics, Higher School of Economics University, Nizhni Novgorod, Russia, May 2019.

Spatial comparisons of consumer prices: methods and applications, Toledo Campus, University of Castilla La Mancha, (A.A.2018/19).

Spatial statistics for Economic Data, Campus Cuenca, University of Castilla La Mancha (A.A.2014/2015)

Evaluating the quality and efficiency of production processes, Master course Market Research and Data Mining, Alma Mater Studiorum, Representation en la Republica Argentina in Buenos Aires, Feb.2010.

### **APPOINTMENTS IN OFFICIAL STATISTICS & AWARDS**

2015-2019 Member of the Governing Body of National Statistical System- COMSTAT . She was awarded by the Italian President of the Council of Ministers. COMSTAT performs steering functions in relation to statistical offices and resolves upon the National Statistical Program.

2020 Methodological Support within Eurostat-Gopa framework contract for Measuring and communicating uncertainty of poverty indicators at regional level.

<https://ec.europa.eu/eurostat/web/products-statistical-working-papers/-/ks-tc-20-010>

2021 Speaker Plenary session at the Meeting of the Group of Experts on CPIs, organized by the United Nations Economic Commission for Europe UNECE (postponed 2-4 June 2021)

2012 to date-Member of the International Association for Official Statistics (IAOS)

2019 Associated Editor of Journal of Official Statistics, Special issue NTS 2019 - New Techniques and Technologies for Statistics

2018 Member of the Scientific Committee of the XIII National Statistical Conference, Rome

2015-2017 Member of the official working group on "Poverty measurement" of the Italian National Statistical Institute.

2007 -2010 Research fellowship on the research project for estimating "Intra-national Purchasing Power Parities", developed by ISTAT, Tagliacarne Institute and the Italian Union for Chambers of Commerce (Unioncamere).

2010 to date- Member of the international research group for comparing consumer prices across geographical areas. She has addressed various issues related to price comparisons which were discussed in several conferences and technical meeting related to the ICP of the World Bank, including the 2<sup>nd</sup> Technical Advisory Group (TAG) Meeting of the ICP February 17-19, 2010

(<http://documents.worldbank.org/curated/en/387881468146373831/Working-group-on-survey-frameworks-are-integration-and-comparison-between-CPIs-and-PPs-feasible>), the 6<sup>th</sup> TAG

Meeting of the ICP, World Bank October 3-4, 2011

(<http://documents.worldbank.org/curated/en/815811468181749617/Understanding-changes-in-PPPs-over-time-a-proposal-for-the-extrapolation-of-PPPs-for-household-consumption-using-CPI-data>), the 3<sup>rd</sup> Meeting of the Country Operational Guidelines and Procedures Task Force

September 27, 2018 (<http://pubdocs.worldbank.org/en/356791539796691722/pdf/ICP-TF-OGP03-DOC-S03-SubNationalPPPs-LB.pdf>), the International Comparisons of Income, Prices and

Production Conference (<https://www.worldbank.org/en/programs/icp/brief/academic-and-research-papers>) the II International Conference on Sub-national PPPs, Real GDP and Living

Condition Comparisons Jiangxi University of Finance and Economics, Nanchang, China

<https://www.worldbank.org/en/programs/icp/brief/seminars-and-sessions>).

## **OTHER SELECTED APPOINTMENTS**

2012-to date Elected member of the International Statistical Institute (ISI)

2021-Organizer of satellite meeting "Measuring uncertainty in key official economic statistics " of the 50th International Conference of the Italian Statistical Society, 17th June 2021

2021 Guest Editor Sustainability Special Issue *Statistical Methods for Measuring and Understanding Economic, Environmental and Social Sustainability*

2020-Organizer of specialized session "Advanced Methods for measuring and communicating uncertainty in official statistics" at the 50th International Conference of the Italian Statistical Society, Pisa June

2016 to date: Research member of the Camilo Dagum /Tuscan Interuniversity Research Centre - Camilo Dagum on Advanced Statistics for the Equitable and Sustainable Development – ASESD

2019- Organizer of the Invited Paper Session (IPS) Measuring well-being at local level to fine-tune public policies", IPS 246 at the 62nd ISI World Statistics Congress, Kuala Lumpur 18-23 August

2018-to date Member of the Editorial Board of AESTIMATIO, the IEB International Journal of Finance Managing Editor: J.M. Montero ISSN 2173-0164

2016-2018 Member of the National Scientific Qualification (ASN) commission for evaluating the candidates' scientific qualification for full and associate professors in Economic Statistics.

Tiziana Laureti is author of many research papers for the ICP of the World Bank, Ottawa Group and UNECE which have a great impact in the field of price statistics; such works (not in Scopus) are cited by several other publications, letting the H-index in Google Scholar equal to 23.

### **MAIN RESEARCH PROJECTS**

2020-2024 WP Leader- Towards the European Web Intelligence Hub - European system for collection and analysis of online job advertisement data 2020-FWC7/AO/DSL/VKVET-JBRAN/WIH-OJA/002/20 granted by CEDEFOP/EUROSTAT

2021 Consultant -*Short term industry statistics* supporting the Turkish National Statistical Institute, EU financed project *Technical Assistance for Programme for New Era for Statistics*

2020 to date Principal investigator -New technologies for the enhancement of cultural heritage, granted by Regione Lazio, Italy prot. N. 0016293-11

2019-2020 WP Leader - LODINET LocalDigitalNET– Eccellenze in digitale, granted by Regione Lazio, Italy

2018-2020 WP Leader- EUROSTAT Communicating Uncertainty in Key Official Statistics COMUNIKOS granted by EU/Eurostat

2017-2020 Researcher- MAKing Sustainable development and WELL-being frameworks work for policy analysis (European Commission, H2020-SC6-CO-CREATION-2017, n. 212388)

2017-2020 Researcher- InnovAfrica- Innovations in Technology, Institutional and Extension Approaches towards Sustainable Agriculture in Africa, granted by EU Sustainable Food Security SFS-42-2016

2017-2020 Researcher- Biofeedstock- Development of integrated technological platforms for the valorization of residual biomass (PON BIOFEEDSTOCK ARS01\_00985)

2018-2019 WP leader REAL TIME SOIL MOISTURE FORECAST FOR SMART IRRIGATION (RET-SIF), prot. MIUR/Eranetmed n. 0038.

2017-2018 Scientific coordinator - Research project, Statistical analysis for the usage test related to the "Pigment Solution Program", granted by RELIFE S.r.l., Menarini

2016-2018 WP Leader- Statistical survey on driving tasks and drivers' risk perception on road safety in Lazio region, funded by ASTRAL- Lazio Region

2016 Scientific coordinator- Porta Futuro University - Tuscia , granted by Laziodisu, Italy.

2015 Principal Investigator -Constructing comparable Indicators for measuring the efficiency of the University Educational Processes granted by the Politecnico of Milan

2014 Principal Investigator -Evolution of the Business and Production Structure -Viterbo Province, granted by the Chamber of Commerce

2012-2013 Scientific coordinator -The effects of website dimensions on encounter overall satisfaction in the travel industry case, funded by SIMET SPA, Italy.

2009-2010 Principal Investigator, Identifying a set of Indicators for measuring the efficiency of the University Educational Process, funded by the National Committee for the Italian University Evaluation System - Ministry of University and Research – Rome.

2007-2010 Researcher, Intra-national Purchasing Power Parities, granted by the Italian National Statistical Institute (Istat). Member of the research team

2007 Scientific coordinator of the research group on "Statistical methods and indicators for measuring university efficiency and effectiveness", funded by University of Tuscia

2005-2006 WP Leader, PRIN *Price Indexes in Time and Space*, granted by MIUR

2003-2004 WP Leader, PRIN *Academic performance and student drop-out rates: a comparative analysis for Italian and UK universities*, granted by MIUR

2002-2003 Scientific coordinator of the research project on *Evaluation of the Efficiency of the Italian University Educational System*, funded by the University of Tuscia.

1998- Junior Researcher *The effectiveness of public support for publishing in Italy*, funded by ISIMM on behalf of Information and Publishing Department of the Presidency of the Council of Ministers
